BOOK SYNOPSIS

Damens wife left him to raise his daughter alone. She said he was boring, and she wanted something more. Since then, hes lived a carefree life without the ties of a relationship to hold him down. The only female that matters to him now is his little girl, and hell give her whatever she wants. On impulse, Damen and his brother opened a restaurant called Marquettes in the heart of New Orleans French Quarter, and theyre having amazing success. Everything feels right. Theres absolutely nothing more Damen could ask for, despite the nagging of his older brother, who says hes not being true to himself. Then two things change Damens world-two people rather. Heaven, an old lover, strolls into Marquettes and applies for a job, and a mysterious young boy with a love for music stirs Damens protective instincts.
