BOOK SYNOPSIS

From a USA Today–bestselling author: Three page–turning thrillers filled with suspense, international intrigue, and “nonstop action” (Jeffery Deaver). *The Hunted*: When a woman’s husband mysteriously disappears, her search uncovers his hidden past involving the FBI, international assassins, and government secrets that some will go to great lengths to keep hidden. As *The Hunted* hurtles toward a twisting conclusion, nothing is as it seems. “Impossible to put down” (Library Journal). *Hard Target*: The president–elect’s helicopter is sabotaged in this “terrific thriller” (Lee Child) that “explodes from the pages” (Vince Flynn) involving an enigmatic covert operative, an FBI agent with a mysterious past—and a terror plot unlike any in history. *The Lost Codex*: A stolen ancient Biblical scroll sits at the heart of a modern–day high–stakes geopolitical conflict in this “masterwork of international suspense” that ricochets from DC to Paris to Israel and beyond (Douglas Preston).
